INFORMATION UPDATE FOR THE 2020 RACE SEASON

CSRA Racers & Crew members:

The following represents information regarding new rules and classes for the 2020 race season.

SPORT & PRO-LITE RACERS:

The top (5) Sport 600-2 class racers, and the top (5) Pro-Lite class racers from the 2019 race season are required to move up to the next higher race division for the upcoming race season. Racers that do not want to move up may request a review with the race director.

SPORT CLASS INFO:

The Sport 600 1&2 classes will be replaced by a single Sport 600 class.

Sport 600 qualifiers and the final will race in the morning schedule each race day.

Sport 600 racers will be permitted to jump up to the Pro-Lite class. The Pro Lite qualifiers and final will race in the afternoon as part of the Pro Main Events schedule.

NOVICE 200cc STOCK RACE CLASS INFO:

- The Novice 200cc class will be divided into two age groups.
- Novice 200 – 1 (6-8).
- Novice 200 – 2 (9-12).

STUDS:

- In classes where studs are permitted. Racers may now use up to (108) Studs. Studs must be 60 degree unsharpened, unmodified, single point studs.
- Track studs are limited to a maximum of (2) two, traction points per stud plate.
- All track studs must be located directly behind a leading track lug.
- See ISR rules for additional information on track stud rules and installation procedure.

HELMETS & UPPER BODY ORANGE:

This rule has not changed for 2020, however the insurance providers require additional enforcement of this ISR rule. All racers upper body apparel must have 144 square inches, front and back, of “INTERNATIONAL BLAZE ORANGE”. Many of our racers have used other dull orange colors that do not meet the rule specification for BLAZE ORANGE, this needs to be corrected for the 2020 race season for both upper body and helmets.

FIRE EXTINGUISHERS:

ISR & CSRA rules now require all enclosed trailers to have a minimum of one, (2-5) pound Fire Extinguisher with ABC rating located on the wall by each trailer door.

UTV SIDE x SIDE RACING:

CSRA will introduce (2) Side x Side racing classes at select Snowcross events.

- UTV 1000cc
- UTV 1000cc Turbo

Additional information on CSRA UTV racing rules will be available September 1st.
